VAJRA

VAJRA IS A WEAPON OF MAHAKALI WHICH REVEAL SUPREME POWER AND DETERMINATION

In our country ಯತ್ರ ನಾರ್ಯಸ್ತು ಪೂಜ್ಯಂತೆ ರಮಂತೆ ತತ್ರ ದೇವತಃ but reality of women protection is very poor so, Globally an estimated 3:1 women (about 736million) have been subjected to physical or sexual harassment and also average of 30,000 Rape cases are reported

annually and also domestic violence, dowry related abuse, work, place harassment stalking and school, collage ragging so I made a protection jacket to help those people to protect themself. This project name is VAJRA the weapon of Ma Durga. It gives electric shock which effect temporary hard about 1200 DC volt and it makes an automatic call to parents or guardian number with location and in one switch it start's siren to gain the attention over surrounding people.

In future we are developing an app with give a live video

In this jacket we used casually available Mosquito bat circuit and basic cell phone , a GPS tracker and a Siren.
