TechBotsFest-2025 - YPS, Mohali

We are proud to share the achievements of our students at the prestigious AI TechBotsFest – 2025, held on 17th May 2025 at Yadavindra Public School, Mohali. Competing with some of the brightest young minds across the region, our students displayed exceptional creativity, innovation, and technical skills.

Advik Sinha (VIII-B) secured the Second position in the Video Making competition, showcasing his talent among participants from 19 schools. His video stood out for its originality, technical execution, and impactful message, earning well-deserved recognition from the judges.

In the "My Innovation" category, our talented students Shams Tabrez (IX-B) and Aarzoo Chahal (VIII-A) also brought laurels by winning the Second position, competing against 11 schools. Their innovative project reflected deep thinking, problem-solving, and a strong grasp of technological concepts.

INSPIRE Awards MANAK- DLEPC

In the INSPIRE Awards MANAK, out of a total of 1,000 entries, our projects were selected among the top 50. These entries were showcased at the District Level Exhibition and Project Competition (DLEPC), where 5 outstanding models were chosen to represent the district at the State Level Exhibition and Project Competition held in Patiala on 28th May 2025.

We are proud to share that Shams Tabrej of Class IX-B was among the 5 students selected for the State Level Exhibition and Project Competition. Additionally, Aarzoo Chahal of Class VIII-A presented her project at the DLEPC and was awarded a prize of ₹10,000 for her outstanding work.

A total of 78 models were presented at the DLEPC, which took place at Amity International School, Sector 79, Mohali, on 26th May 2025.

Trailblazers of Tomorrow:

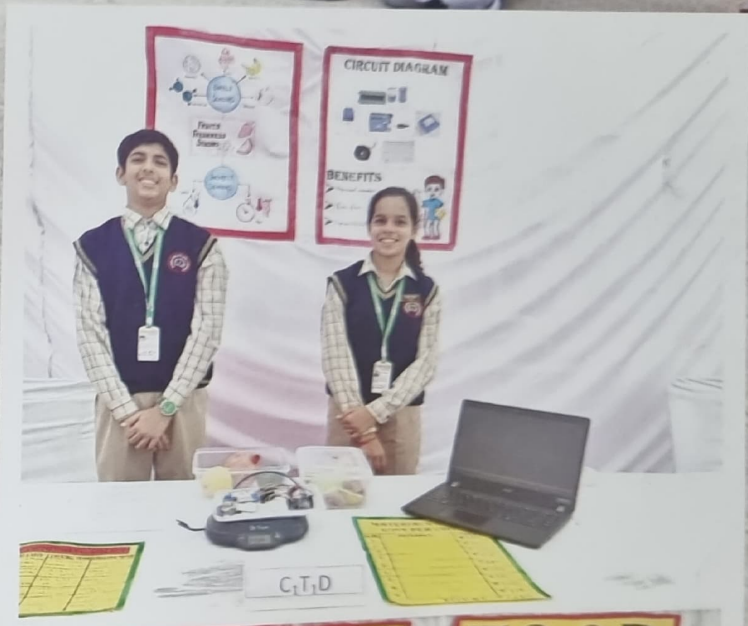

Inter- School Achievements

CBSE Regional Science Competition:
A Winning Streak as Students Reach Nationals

The CBSE Regional Science Competition, held on 7th and 8th November 2024 at DAV Senior Secondary School, Sector 7-C, Chandigarh, was a platform for young innovators to present groundbreaking scientific projects. Shams Tabrej (VIII A) and Arzoo Chahal (VII A) represented the school with their remarkable project, which addressed a significant real-world issue. Their dedication and scientific acumen led them to be selected for the national-level competition, a testament to their hard work and innovative thinking. This achievement reflects the school's emphasis on fostering a love for science and research among students.

Exhibition at Govt Museum and Art Gallery
"Chandigarian – People, Stories, and Spaces"

The exhibition held on 14th November 2024 at the Government Museum and Art Gallery, Chandigarh, celebrated the theme "Chandigarian: People, Stories, and Spaces." This event provided young minds with a unique opportunity to explore and present the rich culture, heritage, and urban essence of Chandigarh through creative exhibits. Among the participants, Arzoo Chahal (VII A) brought pride to the school by securing the First Consolation Prize for her outstanding and imaginative display. Alongside her, Avani Sharma (VI B), Akshara Sharma (VII B), and Reet Gehlot (VII A) represented the school with enthusiasm, showcasing their creative talents through thought-provoking exhibits. The event inspired students to connect deeply with the cultural narratives of their city and express them through art and storytelling.

State-Level Poster Making Competition on Energy Conservation

Organized by the Bhakra Beas Management Board (BBMB), this competition aimed to raise awareness about energy conservation and sustainable living practices. The event encouraged students to think critically about the global energy crisis and creatively express solutions through poster art. Kabeer (VI B) brought laurels to the school by qualifying at the school level and being selected among the top 50 entries in the Punjab category for the state-level competition. His artwork demonstrated both artistic brilliance and a deep understanding of energy conservation, reflecting his commitment to environmental stewardship.

TECHNOVA 1.0
Revolutionizing Industries, Transforming Lives, and Changemaker

The team from Bhavan Vidyalaya shone brightly at TECHNOVA 1.0, an inter-school competition organized by Saint Soldier's School, Sector 16, Panchkula, on the themes of Revolutionizing Industries, Transforming Lives, and Changemaker. The team of four—Shams Tabrej (VIII A), Arzoo Chahal (VII A), Advik Sinha (VII A), and Asar Mohammed Farhan Khan (VII B)—presented an innovative project titled Smart-Food Expiry Labels. This project proposed a revolutionary idea to address food waste and consumer safety using intelligent expiry tracking technology. Their ingenuity and teamwork earned them the 1st Runners-Up Trophy and a cash prize of ₹2500. The event not only showcased their creativity but also reflected their ability to think critically and solve real-world problems, leaving a lasting impression on the judges and audience alike.

Safar-E-Shahadat: Inter-school Declamation Competition

The Safar-E-Shahadat Declamation Competition, held at Guru Teg Bahadur Public School, Sector 15-C, Chandigarh, was an emotionally charged event commemorating the sacrifices of Guru Teg Bahadur and other martyrs. Students from various schools expressed their thoughts with passion and eloquence. Pranvi Mehta (VI A) captivated the audience with her powerful speech, securing the First Prize. Mannat Kaur (VIII A) earned the Third Prize, while Gurpreet Singh (VIII A) was awarded the Consolation Prize for their heartfelt and impactful declamations. Their performances reflected not only their oratory skills but also their deep understanding of history and the sacrifices made for our freedom.

These achievements underscore the school's commitment to nurturing well-rounded individuals who excel in academics, arts, and sports, while also contributing meaningfully to society.

Elysian- Inter-School Literary Competition

Malvika Raj Negi of class IX-A secured the first position in the 'Book Wizards' competition at the Elysian event held at The Knowledge Bus School, Kharar. Her impressive performance and quick thinking made her stand out, bringing pride to the school.
