1. Problem Statement

I* when some people trying for suicide for Any Reason.

2. Solution

when some people trying for suicide case for we must we some Invention to protect them. like:-

In buildings Also People were Jump & Die So.:-

= ↓ Some sencor that Prevent when Some Normal People came to the top of Building. Some More sound of Sencer To protect them.

+ In Dark place

• Some People come to Dark Place with Knife to suicide we must encovery with emoting [Emotion of People with Knife with lights to protect them

↓ So Many People Die [Suicide] to love me must Stop by him by suicide Through fights of them we must Put Sensor when fighting to came of Police.
