1. ~~why we get dandruff~~

look into this
dish

ans: ~~Be Because of~~

1. ~~1st~~ we waste food but when we are full and the food is too tasty we eat it but then we will have stomach pain instead of that we will have an device which is an when we ~~want~~ are full we can put that into a storage container and when we are hungry again we can make a new dish using that instrument and we can eat that

2. We waste paper simply but ~~insted~~ instead of that we can get it to an Automatic sensing robot which we can give the paper and that robot will make some adjusments and make the useless paper into usefull thigns ~~adding a~~ using an iron and paper we can can make a Bowl
