Name - Chaavitha .N

Class - 1X D

School - Navkis Educational Centre, Mysore

Phone No - 90080 49489

Problem - We have to put a little more pressure for the paddles of the cycle to travel a long distance It's not like the scooty, bikes It takes more Energy to paddle and we feel it difficult to travel for a longer Distance We Even Can't Use Scooty bikes Since we are 18 below

Solution: Even the cycles should have the accelators So that we Can travel for a longer Distance, people who are 18 below Can go Easily Everyday.
