Innovation

Name: Livia Meryl D'souza
Class: 6th
Section: E
Contact No: 9740470704, 7892344653

(Problem): When cutting paper small pieces of paper falls and it is hard to pick up later

(Solution): We can create a scissor with a machine like structure which can collect paper cuttings.

for: Students who are ~~not~~ interested in Art and Craft.

School name: St. Joseph's Central School
