In the cycle handle we can put :
bike's handle and we can put
booster in side of chain and ~~esct~~
put ~~escle~~ ~~escal~~ ~~excelater~~ ~~escallater~~
and make it electric clycle or ~~esclater~~
we will put gear in and make it escallater
gear cycle

Because we can go easyly in somewhere
and it get problem to cycle, ups and
make it harder to go go ups and this
Reason ~~we~~ make we leg pain to
cycling ups that why we should
cut in cycle ~~gear~~ ~~gear~~ gear or
make it like bike same as
electric in the time of now, tecnologi,
Delopment, and look in modern
and we charge with charger
and like this we can make
in shoes we will put booster and go in space
and see aliens This is my project
