Problem: In Apartments & long buildings the ~~workes~~ workers ~~to~~ have trouble in Cleaning the top ~~fo~~ floor ~~windoo~~ windows at outside.

Solution: ~~allso~~ attatch the wipper to the Drone and can control and wipe the windows at top ~~froo~~ floor.

Idea title: Wiper attached to the windows

Problem: windows in the top floor could be dangerous & difficult to clean.

Solution: A wiper attached to the window to clean them from outside

End user: House cleaners, Mom,
