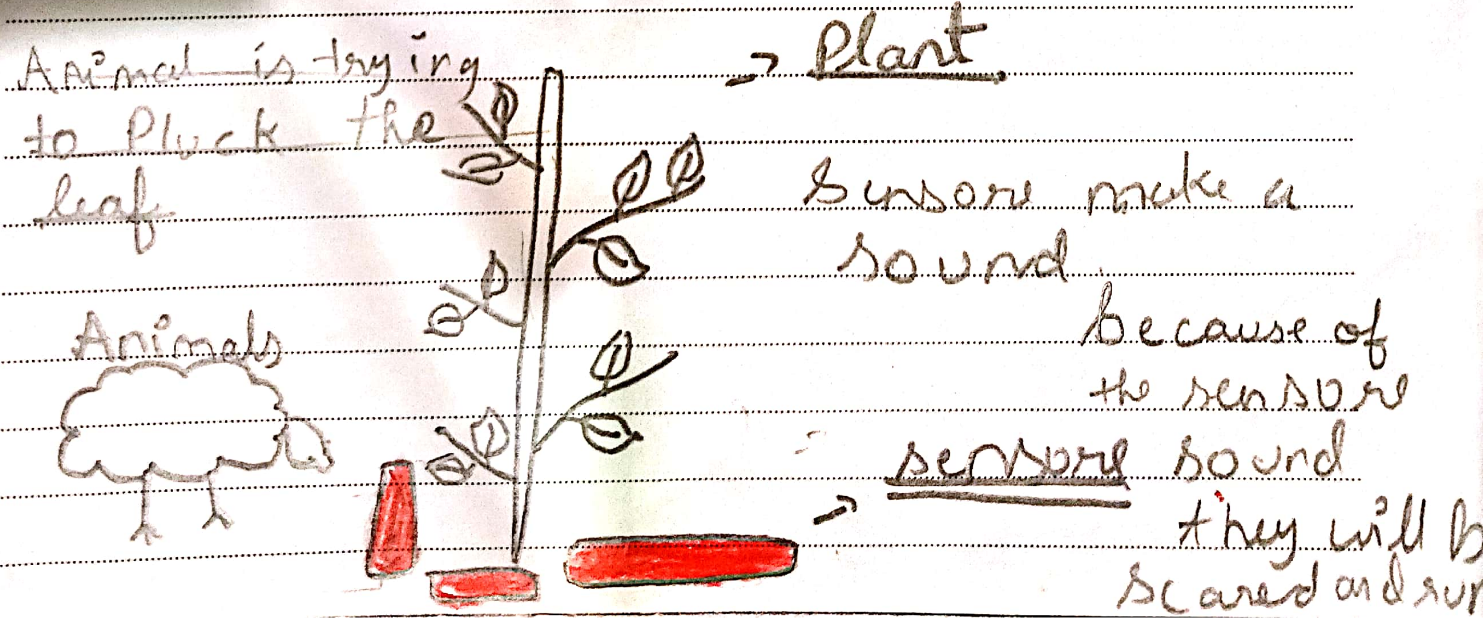
Shortlist

Idea :- ~~Man~~ (my Solution is to Protect (crop/ Plants) from animals, birds and from pepole many ~~p~~ animals and people distroey plants so i have one solution. we can put sensore near plants so when anyone come to ~~Sto~~ try distroye plants the Sensore will make a sound.



Animal is trying to Pluck the leaf
→ Plant
Sensore make a sound
Animals
because of the sensore
sensore sound
they will b
Scared and ru
